For all Fen with a song in their heart!

Three days chock full of filk: open filk circles of all flavors, concerts and one-shots, workshops, the Pegasus Nominees Concert, theme filks, *two* songwriting contests, a rocking farewell jam session, and - did we mention? - even more open filking! Come early for the Frisky Puppy Filk Thursday night and the Afternoon Delight Filk on Friday afternoon. Stay up late, really late, Sunday night for the Dead Dog Filk.

Music, music, music! What more do you need? Ok, so a little food and drink would be nice; we give you that too! Sip the fabulous brew & nibble treats at the Mad Hatter's Tea Party Friday early evening. Saturday, dine and applaud for the year's best filk at the Pegasus Awards Buffet Banquet. Be among the few, (OK, the not so few). the hardy, the half-crazed & sleep-deprived who make up the Dead Dog Dinner caravan Sunday night. And throughout the weekend there is the smorgasbord that is our fabulous con suite.

Some sleep, you say? Well, you're on your own there but we recommend booking a room at the hotel.

PEGASUS AWARDS

The Pegasus Awards were created to promote excellence in filking, to recognize emerging and established talent, and to encourage growth within our community. The awards are presented Saturday night at the Pegasus Awards Banquet Buffet. To nominate or vote for the awards, please visit our website at www.ovff.org/pegasus. The website also includes short bios, mp3 & lyric samples of nominees, and a complete history of award winners and nominees.

SONG WRITING CONTESTS

They're fun, challenging, and the results can be spectacular! Our first contest is the traditional "write a song on a topic linked to the con theme". This year's contest topic is: "*Future So Bright*". Entries should be new material of limited distribution written between October of last year and October of this year with original lyrics set to either original or pre-existing music. Our second contest is for all you Iron Filkers out there. We challenge you to write a song at the con itself on a topic not announced until the con opens.

In both contests, the songs are to be performed before an audience and a panel of judges but are judged on the writing quality, not the strength of the performance. If the songwriter is not a performer, the entry may be performed by a friend. See our website for a copy of the judging form.

GOPHERS

Would you like a discount on your OVFF membership? Every hour of work will get you \$5 off of your membership. You can choose to have a refund check mailed to you after the con, or apply it immediately towards an advance registration for next year. Email volunteers@ovff.org if you are interested.
